

Memorandum

MIAMI-DADE
COUNTY

DATE: October 2, 2012

TO: Honorable Chairman Joe A. Martinez
and Members, Board of County Commissioners

FROM: Carlos A. Gimenez
Mayor

SUBJECT: Resolution to Retroactively Apply For, Receive, And Expend Federal Funds And Receive
Equipment From The Florida Department of Highway Safety and Motor Vehicles Grant
Program

Agenda Item No. 8(I)(2)

Recommendation

It is recommended that the Board of County Commissioners retroactively ratify the County Mayor or County Mayor's designee action to apply for, receive, and expend federal funds in the amount of \$50,000 and also to apply for and receive equipment from the Florida Department of Highway Safety and Motor Vehicles Grant Program from the United States Department of Transportation to support the Miami-Dade Police Department. The grant period will be effective upon award through September 30, 2013, and does not require any local match or in-kind funds.

Scope

The grant will provide countywide services.

Fiscal Impact/Funding Source

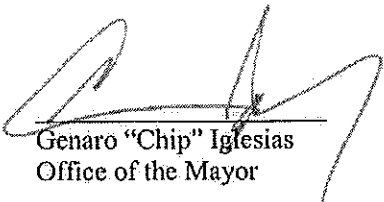

This grant will provide \$50,000 in federal funds and also equipment to implement the law/traffic enforcement project. The grant does not require any local match or in-kind funds. The funding source is the Florida Department of Highway Safety and Motor Vehicles Grant Program from the United States Department of Transportation.

Track Record/Monitor

Gus Knoepffler, Chief Financial Officer of the Miami-Dade Police Department, will monitor the grant.

Background

Ratification of this application is necessary because the proposal did not allow time to submit the resolution to the Board prior to submitting the application. The Florida Department of Highway Safety and Motor Vehicles Grant Program provides funding for law enforcement agencies. Grant funds will allow the Miami-Dade Police Department to receive both funding and equipment for such items as patrol vehicle laptops, printers, driver license readers, and other related items. This equipment is necessary to meet the increasing need for accurate and timely information for strategic deployment, prevention, and inter-agency data sharing. The quantity of equipment is unknown until the grant is awarded.
